The novels (and Legends), are generally considered to be canonical although LucasArts has denied the books will ever see a release. How to Generate an Interest-Free Credit Card Author: Gabriel Greer I often have people ask me how they can build their own credit card. The truth is, you can't do this if you have bad credit, as that is the best way to get a credit card. The good news is that there are many credit cards with zero percent intro fees, and you can build your credit if you're willing to take the initiative. How To Build Credit With An Interest-Free Credit Card By building your credit score, you can qualify for a card that gives you 0% intro APR and other perks like rewards and no annual fee. I will outline how to build your credit, the cost of this type of card, and how to manage the card. Cost: The monthly fee is paid to the card issuer. I currently have a 0% intro APR that's paid off over the course of 24 months. A credit card can be a useful way to manage your debt, but you should be wary of any credit card that gives you zero percent intro APR. It's an incentive for you to spend more and use your credit card too much. In the early days of opening up a new account, you may spend \$200-\$300 per month on your card. When you begin to pay off your bill, the cost will decline, and eventually you will be paying only \$100 or less each month. If you find yourself spending \$100+ per month on your credit card, consider cutting back on your spending or switching to a 0% interest card. It's always good to be on the hunt for a card that gives you 0
